## Arkansas Guest Is Honoree at Party Wednesday

Miss Alberta Backus of Springdale, Ark., was honored at a lovely party Wednesday night, when Mr. and Mrs. R. N. Hall entertained members of the Wednesday Night Bridge Club and other guests at their home at Robinson and Marshall Streets. Several games of bridge were played during the evening, after which prizes were awarded to Mrs. M. L. Bonner, who scored high among the lady club members, R. D. King, high scorer among the men club members, and to Mrs. L. M. McCrary, high score winner among the guests. The honoree was also remembered with a lovely gift.

Delicious refreshments of black walnut ice cream and angel food squares were served at the close of the evening to the following members and guests: Mr. and Mrs. L. M. McCrary, Raymond Zachry, Mr. and Mrs. Claude Bildstein, Mr. and Mrs. M. L. Bonner, Mr. and Mrs. Frank Hood, Mr. and Mrs. R. D. King, the honoree, Miss Backus, and the host and hostess, Mr. and Mrs. Hall.

## Vernon Firemen and Families are Entertained Here

The firemen of the Vernon Fire Department and their families were entertained Wednesday evening with a watermelon feast at the City Hall station. Following the feast of ice cold watermelon, the firemen and their families were taken for a ride on the fire trucks.

Those present included the following: E. E. Coleman and family, John W. Walker and family, Reed Smith and family, Mr. and Mrs. J. T. Carlington, John Wildman, A. M. Henderson and daughters, Arthur Wells, W. T. Vaughn and family, Clayton Thomas, Mr. Hipp, C. Daniel, C. C. Yoakum and family, B. L. Wallace, and Mr. and Mrs. J. D. Huntley.

## Bishop-Chennault Marriage In Frederick Announced

Announcement was made here today of the marriage of Miss Opal Chennault, of Wildcat, and Joe Thomas Bishop, of Tolbert, in Frederick, Okla., Saturday night. Rev. W. H. Strigler, pastor of the Frederick Baptist Church, performed the ceremony at his home.

Those who witnessed the ceremony were: Clark Barnes, of Elmo, Texas, Miss Donnie Bunch and Virgil Cooper, of Tolbert. Mr. and Mrs. Bishop left immediately following the wedding for Britton, where they will make their home.

## Mary Elizabeth Piper Is Honored at Party Wednesday

Miss Dorothy Ann Rogers entertained members of the Phi Sigma Tau Club with a picture show party and surprise handkerchief shower Wednesday afternoon, honoring Miss Mary Elizabeth Piper on her fourteenth birthday. Following the picture at the Vernon Theater, the guests were taken to the Rogers home at 2012 Cumberland Street, where the honoree was showered with the handkerchief gifts and polychrome were served.

The club members were: Misses Athalia Fyle, Lois Sharp, Bernice Huddleston, Mary Nichols, Miriam Albertson, Ruby Doris Johnson, Carolyn Hendrix, the honoree, Miss Piper, and the hostess, Miss Rogers.

## Vernon Theatre Employees Entertained by Manager

Employees of the Vernon Theatres, Inc., and their friends, were entertained with a watermelon feast and party at the home of Robert Sparks, manager of the Dent Theatres in Vernon, last night. Games of 42 and bridge were played and watermelon served to the visitors.

Those present were Mr. and Mrs. H. G. Hale, Mr. and Mrs. Allen Murphy, Mr. and Mrs. Leonard Smith, Miss Beatrice Huddleston, Horace K. Pitts, Miss Madge Hall, Mr. Pete Brooks, Mr. and Mrs. Willis Brooks, Miss Marydell Stovall, Lemoine Sonnemaker, and the host and hostess, Mr. and Mrs. Robert Sparks.

## Mrs. Earl Dye Honors Son on Fourth Birthday Tuesday

Mrs. Earl Dye entertained a number of little guests Tuesday afternoon with a birthday party honoring her son, Alvin D., on his fourth birthday, at the Dye home four miles west

## BRITAIN STILL DEMANDS DEBT PLAN CHANGES

Snowden Says He Intends to Force Action on His Resolution for Revision of the Financial Settlement, and Will Brook Little Delay.

The Hague, Aug. 15.—(AP)—The British delegation, by letter and otherwise, within the past 24 hours had made known to other nations participating in the conference to make the Young plan effective that its ultimatum still stands, and it will not accept the Young plan without an increased share of German reparations.

It was made known also Philip Snowden, British chancellor of the exchequer, intended to demand action on his resolution for revision of the Young plan and would brook little further delay. Intimate personal conversations between the delegates continued with hope of finding some way out of the deadlock.

Progress of negotiations in the political committee of the conference with reference to evacuation of the Rhineland gave rise to the argument that if the French and Germans could agree on this graver question it would not be possible for anybody to stand out against agreement in the financial committee on the matter of comparatively small sum of money.

The situation arising as a result of this development was all the more serious by the resolution of the other creditor nations, France, Italy, Belgium and Japan, yesterday to stand together in opposition to Chancellor Snowden.

If the Snowden resolution comes up for action Saturday at the meeting of the financial committee unamended it undoubtedly will be rejected, and the chancellor will be faced with the necessity of going home or backing down.

Let Funeral Contract.

Frost & Dobbs Funeral Home of Vernon received the contract for burying Wilbarger County papers on competitive bids this week at a meeting of the County Commissioners. County Judge J. V. Townsend said today. The price of the contract for each funeral was \$24.50.

of Vernon. Games were played during the afternoon, after which refreshments of ice cream and cake were served. Favors of cupid dolls were given each little guest.

The guests including the following: Anna Mae and Vera Schoppa, Agnes Bodling, Edna Tiroff, Lucile Hawkins, Annieta Schoppa, Edward Lehman Jr., Aubrey Dye, Wesley Johnson, Travis Hawkins, Vestal Spivey, Edna Johnson, Mildred and Leona Schoppa, Agnes and Margaret Lehman, and the honoree, Alvin D.

## Defense Charges Attack Charge by Girl Is Frameup

Los Angeles, Aug. 15.—(AP)—An attempt to prove the charge of statutory attack made against Alexander Pantages, multimillionaire theater operator, by Eunice Pringle, 17-year-old dancer, was "a cold-blooded frameup" was planned by the defense at the theater magnate's preliminary hearing today.

As Miss Pringle reached the end of her story on the witness stand yesterday, W. I. Gilbert, Pantages' attorney, leaped to his feet and shouted:

"We contend this is a cold-blooded frameup. We admit we don't know a thing against her (Miss Pringle), but certain information has come to us, and we are hoping to establish, by this witness' own words, whether or not these reports are true."

Gilbert then began cross-examining the dancer, who denied under his sharp questioning the implication she had "framed" the magnate. Under cross questioning Miss Pringle admitted an acquaintanceship with Nick Dunave, author of the act in which she had hoped to appear in vaudeville under Pantages' sponsorship. She said she had visited Dunave's apartments several times but always when others were present.

Miss Pringle when taken to court chamber to face Pantages just before the hearing opened, fainted.

She collapsed on the stand also a few minutes later after District Attorney Buron Fitts had asked a few questions.

Once revived, she told in detail her story of the happenings last Friday in Pantages' private office, the scene of the alleged attack.

## COMMERCE MAN TO RUN FOR STATE SCHOOL POST

Mount Pleasant, Texas, Aug. 15.—(AP)—J. M. Bledsoe, head of the department of mathematics at the State Teachers College, Commerce, is considering and has virtually agreed to run for state Superintendent of Public Instruction, it was announced here.

Bledsoe said he would issue a statement later concerning his educational policies and principles.

Bledsoe served in the state department of education from 1914 to 1917 and is a former president of the Texas State Teachers Association.

## DISARMAMENT TALK IS SATISFACTORY TO ALL

London, Aug. 15.—(AP)—Authoritative quarters stated today the naval disarmament negotiations between London and Washington were proceeding satisfactorily.

It is hoped Premier MacDonald will go to the United States in October after a visit to Geneva for the meeting of the assembly of the League of Nations. It is expected he will then be able to discuss tentative arrangements for a five-power conference.

It is presumed further arrangements will be reached when Premier MacDonald meets Ambassador Dawes at Elgin on Aug. 23 when they probably will be present at a luncheon given by that municipality.

## A MOVE FOR PEACE

That evacuation of the Rhineland by Allied troops will be effected before the end of the year becomes assured as the present conference on the application of the reparations agreement progresses. The American, who perhaps is not so greatly influenced by prejudices engendered by the war, must be convinced that it is high time for withdrawal of enemy troops from German soil.

Even if it is fair to hold Germany solely responsible for the war, there is no logical reason for maintaining an occupational force within her boundaries longer. She has accepted the terms of the peace treaty as drafted by her enemies, and no one complains that she has failed to live up to the obligations imposed by that treaty. When these facts are considered, along with the very commendable attitude characterized by alacrity which the Reich has shown toward fulfillment of all obligations, one must be prejudiced indeed to argue that the foreign troops should be quartered in German territory longer.

There is reason to question the accuracy of any statement charging Germany with the sole responsibility of the war. Some of the foremost leaders of allied nations have admitted that secrets bared since the war have revealed that the great conflict was an inevitable outgrowth of diplomatic conditions. Certainly one can not fairly hold the German Republic solely responsible for a war waged by the Kaiser's regime. But of primary consideration, is the apparent desire of the present Germany for peace.

Germany has been a docile nation while in a state of comparative subjugation. In spite of the tremendous burden placed upon the German people they have displayed a commendable spirit, a willingness to accept the burden and look forward to the future for happiness.

Continued occupation of German territory can serve no worthy purpose. It can foster resentment that, nurtured on the smoldering animosities of the past, may become a real menace to the peace of Europe and the world. The road to peace is not through oppression, as the oppressed is likely to strike back at unexpected times.

## THE NEED OF POLITICS

While former Governor O. B. Colquitt and other Hoover Democrats are energetically advocating the continuance of a third party in the field in Texas to battle for the issues which they declare were raised by the last presidential campaign, and still other individuals and organizations are seeking information with regard to who the candidates will support in the 1932 presidential campaign, it seems high time for a group of citizens with the best interests of the state in mind to make a survey of the field of candidates and be certain that the voters of Texas are to have the opportunity of electing honest and capable officials.

A large number of candidates have already announced for the gubernatorial nomination. Some who ought to be available have not and doubtless will not announce. It is always so. Some, who, in the interest of the state and the people, ought to head the ticket when the ballots are counted, never enter the race, while dozens who have no qualification battle for the prizes. No voter is too young to recall occasions in which the electorate, obviously dissatisfied with both of the gubernatorial candidates who reached the run-off, were forced to choose one least unsatisfactory.

A state so large as Texas must have an abundance of excellent gubernatorial talent. The trouble is the people who pay the bills and suffer from maladministration are too content to sit quietly by and make no effort to see that they have worthy candidates from which to choose. They seem satisfied to be allowed to exercise the franchise. There is more to the efficient functioning of a democracy than elections. When the elector's choice is limited to mediocre talent it matters very little to the general public how the individual citizens vote.

It is not too late for the citizens to see that there is at least one candidate competent to serve in an efficient manner seeking each office to be filled at the elections next year, and a more satisfactory administration will result if at least two such persons are seeking each office.

Some choices of the electorate of Texas in recent years have not been such that would stir pride, but the fault has not always been in the electorate. The wrong has not always been committed at the polls. A paramount need of the state and the Democratic party is an altruistic interest among civic leaders that will assure the voters an opportunity to choose between persons competent to serve and discharge the duties of the office they seek. When that is assured, the so-called issues can be settled fairly, as they should be.

Stomach Sufferers  
 Eat What You Like  
 This Summer—

A teaspoonful of simple herbal compound before meals fine to end misery—New Strength, Weight and Vigor

If you only knew—you poor unfortunate who pay for almost every mouthful you eat with terrible distress and misery—who are weak, nervous and thin—who can't sleep—how quickly these troubles vanish as Tanlac straightens out stomach disturbances and gives you new strength, you wouldn't hesitate a moment about going to your druggist and getting a bottle of this splendid herbal compound.

Tanlac is as free from harmful drugs as the water you drink—only Nature's own medicinal tonic herbs. Druggists know this and for the past 10 years have recommended it to men and women who were rapidly becoming physical wrecks from stomach troubles. The makers have so much confidence in Tanlac that if it doesn't help you—money back.

 And You'll Snap Right into it Strong

Mother Nature knows her stuff. She demands 3 meals a day and it's a habit you can't escape. But in this high-pressure age, you burn energy, both ends against the middle. That's why you get "that feeling" at the mid-meal hours of ten, two and four. Solid foods take time to transform and tax digestion with extra effort you can't afford to spare. That's why it's better to eat lighter meals and drink a bite-to-eat between.

Dr. Pepper perks you up pronto, but it's nourishment, not "nerve whip," that does it. You get the energy of invert sugar practically pre-digested and in a virtually non-fattening form. This, plus the tonic of acid fruits and the spicy tang of herbs, adds to your zest and aids digestion as no other drink can do. Don't let energy get low. Get this wholesome habit—it's happy, healthful, harmless and it helps like an ace in the hole.

# PRESBYTERIANS WIN TO EVEN CHAMPIONSHIP SERIES

## BAPTISTS EASILY DEFEATED IN LISTLESS ENCOUNTER AT CITY PARK FIELD WEDNESDAY

The Presbyterians, winners of the second half of the Vernon Sunday School league season, even the championship by defeating the Baptists, first half winners, 6 to 3 in the second tilt of a three-game series yesterday afternoon on the City Park diamond. The game, one of the dullest and most listless of the season, was played before the largest crowd of spectators that have witnessed the games this summer. A seeming lack of interest on the part of both teams lowered the standard of playing that was raised during the last few weeks of the season.

The Presbyterians were not required to work hard to exact a score double that of their opponents. A second inning, fraught with errors and weak hits brought in four Presbyterian tallies, and another hit in the fourth tallied two. Bert Williams went the route for the Presbyterians and allowed a trio of hits, two of which were bunched, following a brace of free trips to first, allowing three Baptist runs in the fourth inning. But the rally was short.

The teams met again Friday in the final game of the season and the series to determine the champion of the league. The Baptists won the first game Monday.

Baird, Presbyterian center fielder, started the game by grounding out to Foster. L. Williams singled through short, but went out, Foster to Wolfe, at second as Bob Williams was safe on the choice, Castleberry having flied out to Dobbs previously.

Bridges went out, Bob Williams to Bourland, on a grounder to the former. S. Dobbs followed him to the bench after striking out. Rainwater was safe when L. Williams muffed his fly, but King bounced to L. Williams and was out at first.

Bert Williams was safe when King muffed his fly in center field. Bourland singled to center, followed by Pace's hit to the same place, although King, it was thought by some, should have had it. Williams scored on the play and Bourland went out at the plate. Rainwater to Teel. Bowman singled to center, and Pace scored a sin-

gle featured the Presbyterians' last sport. Pace went out, Rainwater to Chaffin, and Bowman singled, advancing to third on Hardison's wild throw over second. Blanton struck out, and Hardison tagged Bowman on the attempted steal.

Bridges went out, Bert Williams to Bourland, and S. Dobbs retired, Bob Williams to Bourland. Rainwater walked, but was forced out at second as King grounded to Bob Williams.

**Exporters Going Strong, Have Chance of Slipping into Second Place in Campaign—Galloway's Ace Marks Up Twenty-First Victory.**

(By the Associated Press)

For the sake of variety and to get away from the increasingly evident fact that the Spudders are bound for a play-off with Dallas, the position of Uncle Claude Robertson's Beaumont Exporters in the pennant race today merits consideration.

It has been several blue moons since a club from the Magnolia City evened the first division this late in the season. Robby's present outfit not only is very much in the select circle, but gives every promise of remaining there to the bitter end. Given another victory over Waco today, and if the Cats again succumb to the Spudders in their vital series, the Shippers tomorrow will ride serenely in second place with a long home stay ahead.

Elmer Hanson, Robby's jack of all trades, and Earl Caldwell hooked up in a honey as the Exporters made it two straight from the Cubs, 5 to 4. Hanson limited the Prattmatt to four hits, Caldwell allowed six. Seven Waco miscues proved the deciding factor.

It was a case of too much George Payne again in the Cat-Spudder opener. Galloway's ace marked up his twenty-first victory, 7 to 2, and as a result the series today looks scarcely as crucial as it did. There remains little hope of tagging the Oilers, four and a half games away. Pete Turgeon's homer with the bags full was the game's highlight.

Making his first start since announcement of his sale to Chicago, Vic Frasier, Steer rookie, made the Sox scout look good by setting the Sox down with three hits and blanking them, 5 to 0, in the Louisiana opener. Elton Langford got two of the Sport safeties. Not a Shreveporter reached first after the fourth inning. The Steers socked Tiny Owens hard but were helpless before Mitchell, who relieved him in the seventh.

The Indians, off on another losing streak that has reached eight straight, were kicked off twice by the Buffs, 7 to 0 and 7 to 5.

## Moist Afternoon on Major League Front Sees Athletics Increase Lead by Seventeen-Inning Victory

(By the Associated Press)

A moist afternoon along the major league trail, where three of the nine scheduled skirmishes were postponed, was hardly enough for the Yankees but about right for the Athletics.

The leaders turned the day to account by wresting a 5 to 3 decision from the Indians in seventeen innings behind Mose Grove as the Tigers out-punched the Yanks by 17 to 13, and the Philadelphia lead increased to thirteen and one-half games.

This margin is the greatest the A's have had at any time this season and is the exact distance by which the Yankees led for two days or so when the 1928 race was at its loosest stage around the Fourth of July.

Jimmy Foxx's twenty-eighth homer, which gave him second place in the American League, decided the long battle in favor of the Maeks, but the leaders cashed in another run off Willis Hudlin before the end of the inning just to remove the last doubt. Hudlin had relieved Walter Miller after the latter's retirement in favor of a pinch batsman in the eighth when the Indians were raking Grove for one run to tie the score.

The victory marked Grove's fifth attempt to bring home his eighteenth decision of the season, and was his first triumph since July 25 when he pitched part of a game to gain an easy verdict over the Indians at Philadelphia, 21 to 3. He has not met defeat since, however, as the A's have either won or tied his every start, but with winning credit going to some other pitcher.

The less said about the lacing of the Yankees in Detroit, the kinder it will be to both teams. The game began just as it ended, with the batters swinging from the floor and the pitchers ducking after each toss.

The Red Sox defeated St. Louis 4 to 1 and the Senators slammed the White Sox 11 to 3 in remaining American League games.

With all activity halted in the New York metropolitan district where the Cubs were to have met the Robins and the Cardinals, the Giants, National League proceedings for the day were limited to Boston and Philadelphia.

## Wichita Falls Poloists Lose to Midwick Team

Chicago, Aug. 15.—(P)—The struggle for the right to meet the sensational Midwick Club of Pasadena, Calif., in the final of the inter-circuit polo championships, lay today between the Oak Brook club of Chicago, and Fort Leavenworth, Kas.

The Midwicks, accorded a handicap of four goals by the scratch Wichita Falls, Texas, team yesterday, proved they required no favors by trouncing the Texans 13 to 2. The finals will be played Saturday.

thwarted once by the elements, today were after places in the semi-finals of the National Junior tennis championships at Culver Military Academy.

The three Californians, Keith Gledhill of Santa Barbara, Ellsworth Vines of Pasadena, and Hugh McArthur of San Francisco; along with Earl Bosson, Cincinnati sensation; Robert Bryant of Atlanta, southern hope; Karl Kamrath of Austin, Texas, Junior Boehmer, St. Louis, and Fred Roll of Philadelphia, sole remaining easterner, were to play in the quarter-finals, postponed by yesterday's rain.

## Cub Fans Send in Checks for Seats at Series

Chicago, Aug. 15.—(P)—Those red hot Cub fans simply will not believe that world series reservations for Wrigley Field cannot be made now.

Even after President William Veech issued a statement saying no ticket applications would be handled until the Cubs were "in," hundreds of fans have sent checks in payment for seats, and it has been necessary for Mr. Veech to prepare form letters to reject the applications.

"I hope our good friends will not feel offended when they find checks returned to them," Mr. Veech said. "But they must realize we can't act on such requests at this date."

"In the first place, the Cubs are not assured of being in the series—although we expect them to be, of course—no date has been set for the first game and the scale of prices has not been determined. No tickets will be printed for at least six weeks, regardless of the progress of the pennant fight."

**HEENEY-CAMPOLO BOUT SCHEDULED FOR TONIGHT**

New York, Aug. 15.—(P)—Tom Heeneey, victim of Gene Tunney in the retired champion's last fight at the Yankee stadium a year ago, once more is ready to enter the ring against Vittorio Campolo at Ebbets Field. The ten-round bout, postponed last night because of rain, was rescheduled for this evening.

The men will not be required to weigh in again unless another postponement should become necessary. The Italian giant tipped the scales at 223 pounds yesterday while Heeneey weighed 204 1-4. Campolo's poundage was three notches below the mark he made for his recent bout against Arthur Dekus.

Humbert Eugazy, promoter of the bout, announced he intends to ask the New York State Athletic Commission to instruct the referee of the Campolo-Heeneey contest to waive disqualification on minor fouls.

## Seven Letter Men to Return for Lubbock High 1929 Grid Machine; Open Fall Training Camp Monday

Lubbock, Aug. 16.—Next Monday coaches Henry Frnka and Del Morgan, together with 50 candidates for the Lubbock High School football eleven of 1929, will launch their training ship in preparation for the roughest gridiron voyage the West-erners have ever encountered on the sea of Interscholastic League competition.

Spurred on by last season's record of runner-up in the district, the gold and black warriors are keyed to a high pitch in anticipation of the two weeks' training camp at the Boy Scout Encampment grounds near Post and the strenuous season which follows.

The attitude shown by the majority of local high school gridsters during the summer months in keeping in shape for the football season has convinced the Western mentors that the grid candidates mean business. This one factor lends conviction to the belief that the wearers of the gold and black will take the field for their first game of the season with the Ralls Jackrabbits, strongly fortified for the hard schedule ahead.

Seven letter men will be included in the embryonic squad which is to get its early training in the Garza County resort but the majority of the gridsters will be squad members from last year and an even larger number of newcomers. The success of the coming season will depend on the showing made by the green material in camp, Coach Frnka has pointed out.

The Lubbock coaches consider the time spent in the early season camp as the most valuable of the entire season. Much of the success of the 1928 eleven is attributed to the training session spent at Two Draw Lake in late August.

Although the local coaches are looking forward to the season with considerable optimism, the development of a forward wall to replace the 1928 line broken by graduation is a weighty problem which must be solved before any talk of an undefeated season can be started. Capable linemen to fill the shoes of Captain Raymond (Whacker) Barton, in the Charley Wilson, guard, and Buckingham, center, will be hard to find in order to meet this situation. Coach Frnka is likely to do considerable shifting with the material on hand. One known change at the present time is one that will move Yancy Price from guard to end.

Such backfield stars as Joe Powers, Earnest Dowell and George Pierce will be missing from the Western lineup this next season, and as a result new faces are likely to appear in the hall 'tint' end of the machine. Only at fullback will the team be well fortified. For this position, Coach Morgan will have W. D. Lawson, 1928 fullback, as well as Mina Watkins and Ovie Teal. The quarterback position remains a question with indication that Moody Smith will get first call. Crenshaw and Green, who showed considerable stuff in spring training, are in line for the field general's position.

A squad member of the 1928 season who began to find himself last year a November rolled around, is scheduled to win a regular backfield berth for himself this season. This is Fulton Squydes, lanky halfback, who ranks with the fastest members of the squad. "Burger Red" showed qualities last year that are likely to make him one of the most feared backs in the district.

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific billie treatment and is sold in Vernon exclusively by the Vernon Drug Store. Adv.

## Familiar Figures Remain in Tennis Champion Match

Rye, N. Y., Aug. 15.—(P)—Familiar figures in the tennis world remain in the running for the eastern grass court tennis championship, the field of which was reduced to fight by yesterday's matches.

William T. Tilden, already qualified, rested yesterday as H. W. Austin, young British internationalist, wrestled the decision from Frank Shields, national junior champion, in straight sets, 6-3, 6-3.

Gregory Mangin, Georgetown University star, won from J. S. Olliff, Austin's team-mate, 4-6, 6-4, 6-4, and Frank Hunter triumphed over Bruce Barnes, 6-1, 6-1. Jules Seligson, Lehigh University star, won from Eddie Jacobs of Baltimore, 7-5, 6-4, and John Doeg rather handily defeated Melvin Partridge, 6-0, 6-4. Harold MacGuffin scored over Gilbert Nunn, 8-10, 7-5, 6-4, in the hardest fought match of the day.

In the fourth round today Hunter will meet Seligson and Austin will play MacGuffin in the lower half. Tilden and Berkeley Bell, both of whom advanced on Tuesday, are in the upper half with Doeg and Mangin.

## If Husky had the Speed of a Greyhound

THE modern, high-compression, high-speed motor demands an oil that will stand up under the excessive heat generated and will function as near perfectly as is humanly possible under the conditions prevalent in today's motors. (C) The problem has been to secure in one oil the best qualities of the finest paraffine and naphthene crude oils. (C) In our laboratories we have perfected a blend of lubricating oil made from two crude oils. It has advantages only to be found in a two-base oil. (C) If you regard your motor with the affection you have for a favorite dog (as some of us do) you should at least try

## Cannon Defense Brings Jeers in Virginia Debate

University, Va., Aug. 15.—(P)—A defense of Bishop James Cannon, Jr., of the Methodist Episcopal Church, South, against attacks by the "wets" met with cries of disapproval last night during an address by Stanley High, editor of the Christian Herald, before the Institute of Public Affairs here.

"A great deal of unjust criticism of Bishop Cannon," Mr. High said, "has been coming from the wets in

order to divert the issue—"  
A jeering cry from the audience interrupted him. In a moment the cry was taken up by others until a large part of the audience participated in the clamor. Mr. High turned to other matters in his address.

Mr. High was defending prohibition, engaging in quasi-debate with Governor Albert C. Ritchie of Maryland who attacked the 18th amendment. Both speakers were applauded generously and except for the reference to Bishop Cannon, the address by Mr. High was uninterrupted.

"There are doubtless those who believe the 18th amendment can be enforced," said Governor Ritchie in his address, "but surely there is no one who thinks it is being enforced."

The Maryland executive asserted that Congress never will make an adequate effort to enforce the law. Mr. High contended that "liquor

defies regulation and demands destruction."

In referring to enforcement of the law, Mr. High declared the constant talk of nullification is a sign prohibition is not a failure.

## SINGING CONVENTION TO BE HELD AT FREDERICK

The Tillman County Singing Convention will hold a two-day session August 17, and 18 at Frederick, Okla., E. H. Shelton, chairman of the convention said today. The convention will be held in the shed of the Frederick compress and preparations are being made to accommodate several thousand singers.

Fine entertainment and great community singings are promised Mr. Shelton said. A large number of the best singers usually heard at singing conventions in north Texas and southwest Oklahoma have indicated that they will be present for the convention.

## CECIL STOREY TO SPEAK AT OLD SETTLERS' MEET

Cecil Storey of Vernon, candidate for Attorney General, will leave today for Blanco Canyon, north of Crosbyton, Texas, where he has been invited to speak at a program for an old settlers reunion in that district.

Several thousand people are expected to attend the reunion. State Senator C. C. Small, Congressman Marvin Jones and Pink L. Parrish are also scheduled to appear on the program.

## MEXICO ECONOMIZES BY SALE OF AUTOS FOR OFFICIALS

Mexico City, Mex., Aug. 15.—(P)—The government has economized more than a million pesos in this year's budget by disposing of the automobiles formerly maintained for officials.

President Portes Gil soon after taking office ordered that these automobiles be sold at auction and that the officials be obliged to use their own cars, make use of other vehicles or walk.

Most of the cars were sold to the officials who formerly used them at the government's expense.

## IRRIGATION SUCCESSFUL ON PLAINVIEW FARM

Plainview, Texas, Aug. 14.—A 60-acre field of hedges that is estimated to yield as high as 90 bushels to the acre while adjoining fields will not reach more than a third that amount, is the answer offered by George Henkel Jr., to the question, "does irrigation pay at Plainview?"

Henkel owns a half section of land three miles southwest of Kress and 10 miles northwest of Plainview on which he has lived for eight years, coming here in 1921 from Wisconsin.

## FINDS GOLD IN FATHER'S WARDROBE UNOPENED 20 YEARS

San Luis, Potosi, Mexico, Aug. 15. (P)—For twenty years a wardrobe which had belonged to the father of Roberto Ferrera of this city remained unopened, Ferrera having refused to open it since his father's death because he believed the elder Ferrera would have desired that it remain closed.

The family recently fell into financial difficulties and neighbors finally induced Ferrera to open the wardrobe. He found a large sum of gold inside.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

Less than eight months have elapsed since the first Chevrolet Six was delivered into the hands of an owner—and already there are more than a million six-cylinder Chevrolets on the road! And the reasons for this overwhelming success are easy to understand.

Into a price field that had hitherto been occupied exclusively by four-cylinder cars—Chevrolet has introduced a six-cylinder car of amazing quality and value. Not only does it offer the smooth, quiet, velvety performance of a great six-cylinder valve-in-head motor—but, from every standpoint, it is a finer automobile than was ever before thought possible at such low prices!

Its beautiful new bodies—which are available in a variety of colors—represent one of Fisher's greatest style triumphs. And its safety and handling ease are so outstanding that it's a sheer delight to sit at the wheel and drive. In fact, the new Chevrolet Six has completely changed every previous idea as to what the buyer of a low-priced car has a right to expect for his money.

You owe it to yourself, as a careful buyer, to see and drive this car. For it gives you every advantage of a fine six-cylinder automobile—in the price range of the four and with economy of better than 20 miles to the gallon! Come in today

## SPECIAL RADIO PROGRAM
